# Puzzle

Look at the puzzle.

Always two pieces belong together. Be careful: Five pieces don't fit.

Color the two pieces in one color.

five past three      6:50      five to seven

three past five      7:15      2:55      quarter to one

9:30      6:45      five to three      twenty-five to eight

quarter to seven      half past eleven      3:05      11:30

12:45      6:55      quarter past four

4:15      5:25

quarter past seven      twenty-five past eight      ten to seven

4:35      1:15      five to two

half past nine      8:25      twenty-five past five
